

How to use “My order QR code”

Designated customer can use your smartphone to place online orders directly by scanning your personalized QR code without login "My Account" by customer code and password. You can get your QR code in “My order QR code” after the login.

The screenshot shows the Watsons Water mobile application interface. At the top, there is a green header with the Watsons Water logo and navigation links for Products, Promotions, Maintenance, and About Us. A user profile icon and a cart icon with '0' items are also visible. The main content area is titled 'My order QR code' and includes a brief description: 'Watsons Water brings you a more convenient online ordering experience. You can go to My Order directly by scanning My Order QR Code.' Below this is a large green leaf-shaped graphic containing a QR code placeholder labeled 'Sample', the text 'Customer Code: My Order QR Code 個人訂水二維碼', and a 'Download QR Code' button. A white arrow points to the 'My order QR code' option in the left-hand navigation menu. Below the screenshot, a hand is shown holding a smartphone displaying the same QR code and text, next to a physical green leaf-shaped sticker with the same QR code and text.

* You can download your personalized QR Code.
QR Code scanner can be download on the App Store and Google Play.
